I don't think we want them to use their org code, because that would mean they got charged.

I'll send her an email.

Thanks

**Cindy,**

**The 06X timekeeper is going into Acevedo, Gray, Assunto and Fanning PPL favorites and changing the ORG Code from 06L to 06X.**

**I went back change them to 06L. Can you please notify the timekeeper, I believe its Joyce Runyan, not to change the ORG Code....Or**

**do you want them to use 06X?**
